Defendant.	)	

**COMPLAINT**

COMES NOW, RICHARD ROEGNER, by and through the undersigned counsel, and files this, his Complaint against Defendant, APEKS WIN, LLC, pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.* (“ADA”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (“ADAAG”). In support thereof, Plaintiff respectfully shows this Court as follows:

**JURISDICTION**

1. This Court has original jurisdiction over the action pursuant to 28 U.S.C. §§ 1331 and 1343 for Plaintiff’s claims pursuant to 42 U.S.C. § 12181 *et seq.*, based upon Defendant’s failure to remove physical barriers to access and violations of Title III of the ADA.

**PARTIES**

2. Plaintiff, RICHARD ROEGNER (hereinafter “Plaintiff”) is, and has been at all times relevant to the instant matter, a natural person residing in Houston, Texas (Harris County).

3. Plaintiff is disabled as defined by the ADA.

4. Plaintiff is required to traverse in a wheelchair and is substantially limited in performing one or more major life activities, including but not limited to: walking and standing.

5. Plaintiff uses a wheelchair for mobility purposes.

6. In addition to being a customer of the public accommodation on the Property, Plaintiff is also an independent advocate for the rights of similarly situated disabled persons and is a “tester” for the purpose of enforcing Plaintiff’s civil rights, monitoring, determining and ensuring whether places of public accommodation are in compliance with the ADA. Her motivation to return to a location, in part, stems from a desire to utilize ADA litigation to make Plaintiff’s community more accessible for Plaintiff and others; and pledges to do whatever is necessary to demonstrate the plausibility of Plaintiff returning to the Property once the barriers to access identified in this Complaint are removed in order to strengthen the already existing standing to confer jurisdiction upon this Court so an injunction can be issued correcting the numerous ADA violations on this property. (“Advocacy Purposes”).

7. Defendant, APEKS WIN, LLC (hereinafter “APEKS WIN, LLC”), is a Texas limited liability corporation that transacts business in the State of Texas and within this judicial district.

8. Defendant, APEKS WIN, LLC, may be properly served with process via its registered agent for service, to wit: c/o Yao Tong Lee, Registered Agent, 6102 Briar Terrace Drive, Houston, TX 77072.

### **FACTUAL ALLEGATIONS**

9. On or about June 6, 2023, Plaintiff was a customer at Dollar Buy, a business located at 12121 Veterans Memorial Drive, Houston, TX 77067, referenced herein as “Dollar Buy”. Attached is a receipt documenting Plaintiff’s purchase. *See* Exhibit 1. Also attached is a photograph documenting Plaintiff’s visit to the Property. *See* Exhibit 2.

10. Defendant, APEKS WIN, LLC, is the owner or co-owner of the real property and improvements that Dollar Buy is situated upon and that is the subject of this action, referenced herein as the “Property.”

11. Plaintiff lives 13 miles from the Property.

12. Plaintiff’s access to the businesses located at 12121 Veterans Memorial Drive, Houston, TX 77067, Harris County Property Appraiser’s account number 0642460000046 (“the Property”), and/or full and equal enjoyment of the goods, services, foods, drinks, facilities, privileges, advantages and/or accommodations offered therein were denied and/or limited because of these disabilities, and will be denied and/or limited in the future unless and until Defendant, APEKS WIN, LLC, is compelled to remove the physical barriers to access and correct the ADA violations which exist at Dollar Buy and the Property, including those set forth in this Complaint.

13. Plaintiff has visited the Dollar Buy at least once before as a customer and advocate for the disabled. Plaintiff intends to revisit the Dollar Buy within six months after the barriers to access detailed in this Complaint are removed and the Property is accessible again. The purpose of the revisit is to be a return customer, to determine if and when the Property is made accessible and for Advocacy Purposes.

14. Plaintiff intends on revisiting Dollar Buy to purchase goods and/or services as a return customer as well as for Advocacy Purposes but does not intend to re-expose himself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

15. Plaintiff travelled to the Dollar Buy as a customer once previously and as an independent advocate for the disabled, personally encountered many barriers to access the

Property that are detailed in this Complaint, engaged many barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury if all the illegal barriers to access present at the Property identified in this Complaint are not removed.

16. Although Plaintiff did not personally encounter each and every barrier to access identified in Plaintiff's Complaint, Plaintiff became aware of all identified barriers prior to filing the Complaint and because Plaintiff intends on revisiting the Property as a customer and advocate for the disabled within six months or sooner after the barriers to access are removed, it is likely that despite not actually encountering a particular barrier to access, Plaintiff may encounter a different barrier to access identified in the complaint in a subsequent visit as, for example, one accessible parking space may not be available and he would need to use an alternative accessible parking space in the future on his subsequent visit. As such, all barriers to access identified in the Complaint must be removed in order to ensure Plaintiff will not be exposed to barriers to access and legally protected injury.

17. Plaintiff's inability to fully access the Property and the stores within in a safe manner and in a manner which inhibits the free and equal enjoyment of the goods and services offered at the Property, both now and into the foreseeable future, constitutes an injury in fact as recognized by Congress and is historically viewed by Federal Courts as an injury in fact.

**COUNT I**  
**VIOLATIONS OF THE ADA AND ADAAG**

18. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

19. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;

- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

20. Congress explicitly stated that the purpose of the ADA was to:
- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
  - (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and
- \* \* \* \* \*
- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

21. The congressional legislation provided places of public accommodation one and

a half years from the enactment of the ADA to implement its requirements.

22. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

23. The Property is a public accommodation and service establishment.

24. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

25. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

26. The Property must be, but is not, in compliance with the ADA and ADAAG.

27. Plaintiff has attempted to, and has to the extent possible, accessed the Property in his capacity as a customer at the Property as well as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

28. Plaintiff intends to visit the Property again in the very near future as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of his disability and the physical barriers to access,

dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

29. Defendant, APEKS WIN, LLC, has discriminated against Plaintiff and others with disabilities, by denying access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of Dollar Buy and the Property, as prohibited by, and by failing to remove architectural barriers as required by 42 U.S.C. § 12182(b)(2)(A)(iv).

30. Defendant, APEKS WIN, LLC, will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant, APEKS WIN, LLC, is compelled to remove all physical barriers that exist at the Property, including those specifically set forth herein, and make the Dollar Buy and Property accessible to and usable by Plaintiff and other persons with disabilities.

31. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed, or was made aware of prior to the filing of this Complaint, that precluded and/or limited Plaintiff's access to the Xpress Stop and the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

**ACCESSIBLE ELEMENTS:**

- i. In front of Unit 12121, due to an inadequate policy of parking lot maintenance or a lack thereof, the access aisle servicing the two accessible parking spaces is not adequately marked so as to adequately indicate the presence of an

access aisle and is therefore in violation of Sections 502.1 and 502.2 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate an accessible parking space and may cause other vehicles to unknowingly park in the access aisle.

- ii. In front of Unit 12121, the Property has an accessible ramp leading from the accessible parking spaces to the accessible entrances with a slope exceeding 1:12 in violation of Section 405.2 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the units of the Property because when ramps are too steep (more than 1:12) it requires too much physical arm strain to wheel up the ramp and increases the likelihood of the wheelchair falling backwards and Plaintiff being injured.
- iii. In front of Unit 12121, there is a vertical rise at the top of the accessible ramp that is in excess of a  $\frac{1}{4}$  of an inch, in violation of Sections 303.2 and 405.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access public features of the Property when using this accessible ramp as vertical rises on ramps are particularly dangerous as the surface of the ramp is already at a significant slope which increases the likelihood of the wheelchair to tip over due to the vertical rise.
- iv. Near Unit 12121, due to a failure to enact a policy of proper foliage maintenance, there are sharp palm fronds protruding into the accessible route. As a result, there are publicly accessible areas of the Property having accessible routes with clear widths below the minimum 36 (thirty-six) inch requirement as required by Section 403.5.1 of the 2010 ADAAG standards.

This barrier to access would make it difficult for Plaintiff to access the rest of the units of the Property as Plaintiff's wheelchair would not be able to get past this barrier.

- v. As a result of the barrier to access referenced in (iv), the Property lacks an accessible route connecting accessible facilities, accessible elements and/or accessible spaces of the Property in violation of Section 206.2.2 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access public features of the Property.
- vi. In front of Mama Liz's Sweet Texas Pralines, the walking surfaces of the accessible route have a cross slope in excess of 1:48, in violation of Section 403.3 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the units of the Property because excessive cross-slope along accessible routes increases the likelihood of Plaintiff's wheelchair tipping over on its side and injuring Plaintiff.
- vii. In front of Mama Liz's Sweet Texas Pralines, as a result of the barrier to access referenced in (vi), the maneuvering clearance of this accessible entrance is not level (surface slope in excess of 1:48) in violation of Section 404.2.4.4 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access this unit of the Property since it is often necessary for individuals in wheelchairs to need to use their hands to both wheel through the doorway and keep the door open with another hand. When the maneuvering clearance is not level, this ordinarily difficult process is made even more difficult by the inappropriately higher slope.

- viii. In front of Unit 11, the walking surfaces of the accessible route have a cross slope in excess of 1:48, in violation of Section 403.3 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the units of the Property because excessive cross-slope along accessible routes increases the likelihood of Plaintiff's wheelchair tipping over on its side and injuring Plaintiff.
- ix. In front of Unit 12, the walking surfaces of the accessible route have a cross slope in excess of 1:48, in violation of Section 403.3 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the units of the Property because excessive cross-slope along accessible routes increases the likelihood of Plaintiff's wheelchair tipping over on its side and injuring Plaintiff.
- x. In front of the administrative offices of the Two-Dimensions Charter School, the access aisle to the two accessible parking spaces is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- xi. In front of the administrative offices of the Two-Dimensions Charter School, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This barrier to access would make it dangerous and difficult for

Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.

- xii. In front of the administrative offices of the Two-Dimensions Charter School, due to a failure to enact a policy of proper grounds maintenance, there is foliage growing in the access aisle. As a result, the ground surfaces of the access aisle have vertical rises in excess of  $\frac{1}{4}$  (one quarter) inch in height, are not stable or slip resistant, have broken or unstable surfaces or otherwise fail to comply with Sections 502.4, 302 and 303 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access the units of the Property.
- xiii. In front of the administrative offices of the Two-Dimensions Charter School, the Property has an accessible ramp that lacks finished edges or edge protection and/or is otherwise in violation of Section 405.9 of the 2010 ADAAG standards. This barrier to access would expose Plaintiff to increased risk of injury for if the wheelchair should fall of the side edge of the ramp, the lack of edge protection would likely cause Plaintiff to tip and incur injury.
- xiv. In front of CC Works, the accessible parking space is missing an identification sign in violation of Section 502.6 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate an accessible parking space.
- xv. In front of CC Works, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This barrier to access would

make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.

- xvi. In front of CC Works, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- xvii. In front of CC Works, there is a vertical rise at the base of the accessible ramp that is approximately an inch, in violation of Sections 303.2 and 405.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to access public features of the Property when using this accessible ramp as vertical rises on ramps are particularly dangerous as the surface of the ramp is already at a significant slope which increases the likelihood of the wheelchair to tip over due to the vertical rise.
- xviii. In front of CC Works, the Property has an accessible ramp that lacks finished edges or edge protection and/or is otherwise in violation of Section 405.9 of the 2010 ADAAG standards. This barrier to access would expose Plaintiff to increased risk of injury for if the wheelchair should fall of the side edge of the ramp, the lack of edge protection would likely cause Plaintiff to tip and incur injury.

- xix. In front of CC Works, due to a failure to enact a policy of proper foliage maintenance, there are trees and bushes protruding into the accessible route. As a result, there are publicly accessible areas of the Property having accessible routes with clear widths below the minimum 36 (thirty-six) inch requirement as required by Section 403.5.1 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access the rest of the units of the Property as Plaintiff's wheelchair would not be able to get past this barrier.
- xx. As a result of the barrier to access referenced in (xix), the Property lacks an accessible route connecting accessible facilities, accessible elements and/or accessible spaces of the Property in violation of Section 206.2.2 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to access public features of the Property.
- xxi. To the west of Dollar Buy, the accessible parking space contains storm drains with slits that are wider than  $\frac{1}{2}$  (one-half) inch in violation of Section 302.3 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- xxii. To the west of Dollar Buy, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter

their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.

- xxiii. To the west of Dollar Buy, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.
- xxiv. To the west of Dollar Buy, the Property has an accessible ramp that lacks finished edges or edge protection and/or is otherwise in violation of Section 405.9 of the 2010 ADAAG standards. This barrier to access would expose Plaintiff to increased risk of injury for if the wheelchair should fall off the side edge of the ramp, the lack of edge protection would likely cause Plaintiff to tip and incur injury.
- xxv. Between Vape Spot and Dollar Buy, one of the two accessible parking spaces is missing an identification sign in violation of Section 502.6 of the 2010 ADAAG standards. This barrier to access would make it difficult for Plaintiff to locate an accessible parking space.
- xxvi. Between Vape Spot and Dollar Buy, the access aisle to the two accessible parking spaces is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and

enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.

xxvii. Between Vape Spot and Dollar Buy, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking spaces in violation of Section 406.5 of the 2010 ADAAG Standards. This barrier to access would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property as the lift from the van may rest upon the ramp and create an unlevel surface.

xxviii. Between Vape Spot and Dollar Buy, the Property has an accessible ramp that lacks finished edges or edge protection and/or is otherwise in violation of Section 405.9 of the 2010 ADAAG standards. This barrier to access would expose Plaintiff to increased risk of injury for if the wheelchair should fall off the side edge of the ramp, the lack of edge protection would likely cause Plaintiff to tip and incur injury.

xxix. Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

32. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

33. Plaintiff requires an inspection of the Property in order to determine all of the discriminatory conditions present at the Property in violation of the ADA.

34. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

35. All of the violations alleged herein are readily achievable to modify to the Property into compliance with the ADA.

36. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

37. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because Defendant, APEKS WIN LLC, has the financial resources and operational control to make the necessary modifications. According to the Property Appraiser, the appraised value of the Property is \$1,499,324.00.

38. The removal of the physical barriers and dangerous conditions present at the Property is also readily achievable because Defendant has available to it a \$5,000.00 tax credit and up to a \$15,000.00 tax deduction from the IRS for spending money on accessibility modifications.

39. Upon information and good faith belief, the Property has been altered since 2010.

40. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

41. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant, APEKS WIN LLC, is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Property, including those alleged herein.

42. Plaintiff's requested relief serves the public interest.

43. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, APEKS WIN LLC.

44. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant, APEKS WIN LLC, pursuant to 42 U.S.C. §§ 12188 and 12205.

45. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant, APEKS WIN LLC, to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant, APEKS WIN LLC, in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant, APEKS WIN LLC, from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendant, APEKS WIN LLC to (i) remove the physical barriers to access and (ii) alter the Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff his reasonable attorneys' fees, litigation expenses and costs; and

- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
